What to Pack

Wondering what to pack and what the weather forecast is? We've got you covered!

The first month of the spring, September, is still a warm month in Skukuza, South Africa, with temperature in the range of an average high of 29.2°C (84.6°F) and an average low of 17°C (62.6°F). In Skukuza, South Africa, the average high-temperature in September is relatively the same as in August - a still warm 29.2°C (84.6°F).

If you're planning night or early morning game drive we suggest you pack long pants & shirts and jacket, closed shoes, it gets a little cold on the open vehicles.

Insect repellent and sunscreen highly recommended.

Weather

Check the [10 day weather forecast here](#) before you pack.
